THE NEXT DAY

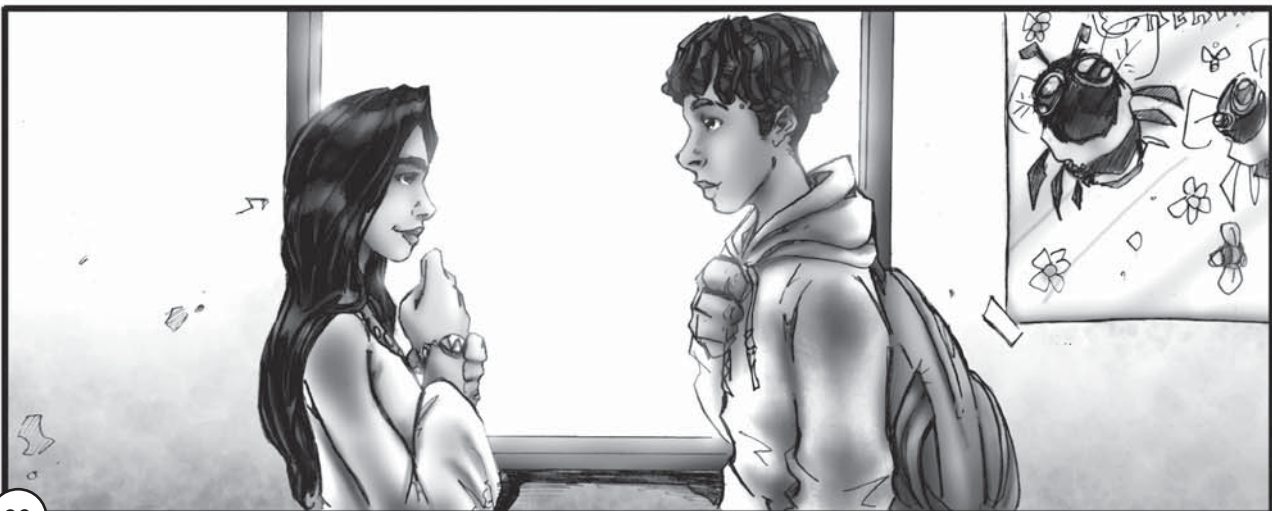

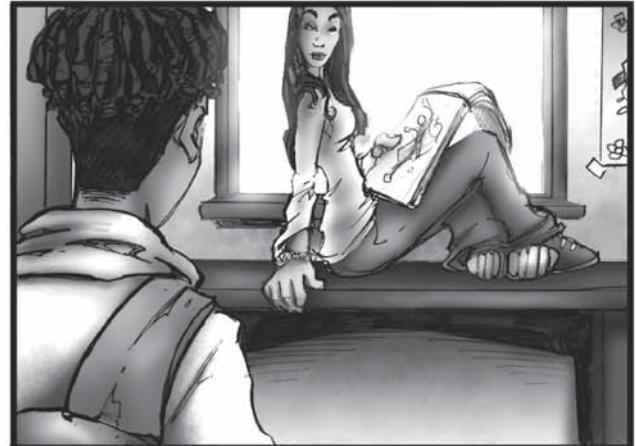

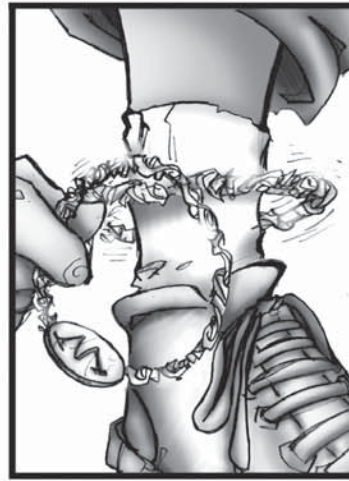

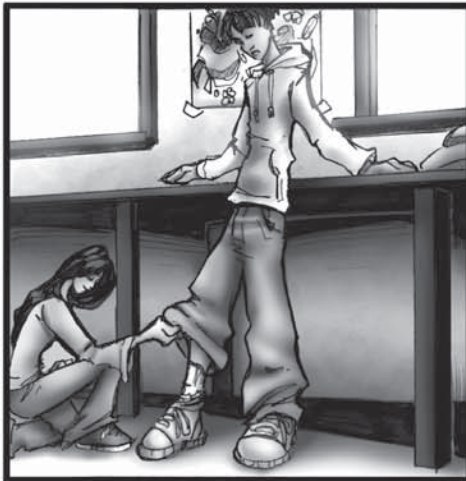

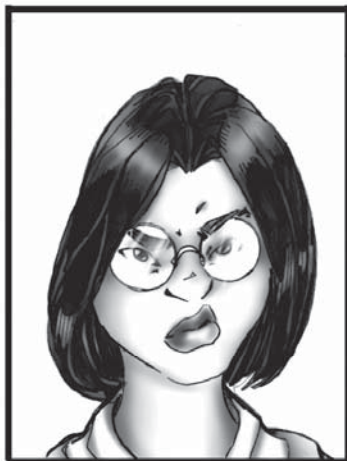

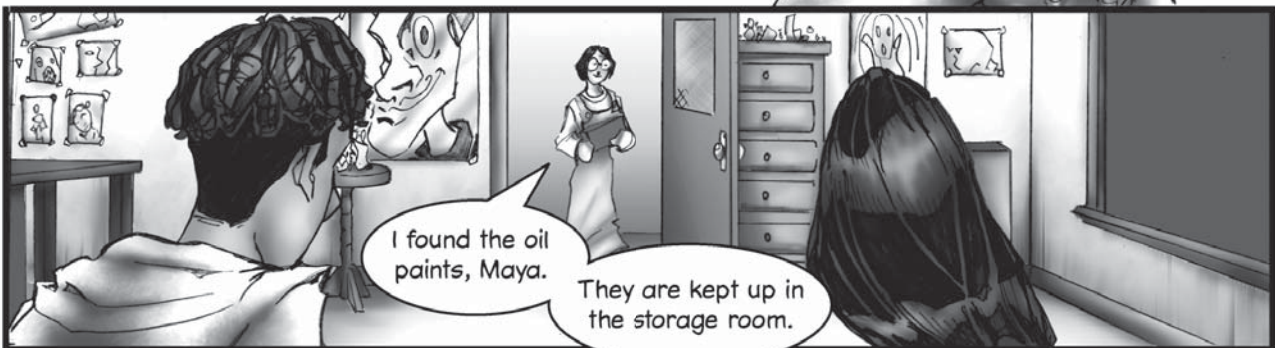

I know you're trying to tell me something, but I don't under...

Hey, maybe if you write the words.

That night...

The only one who
can take it off...

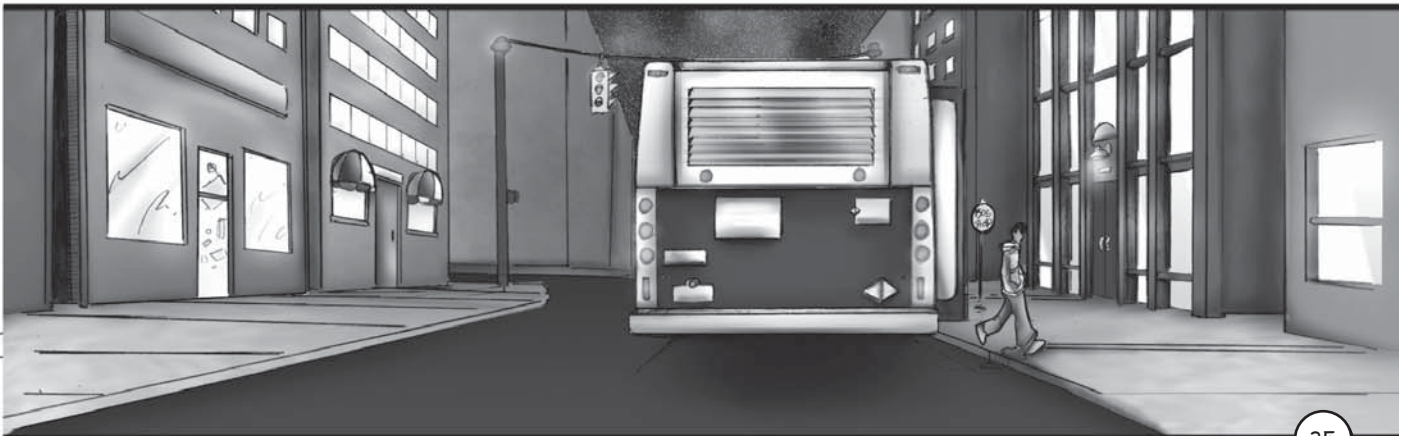

Is the one who
put it on.

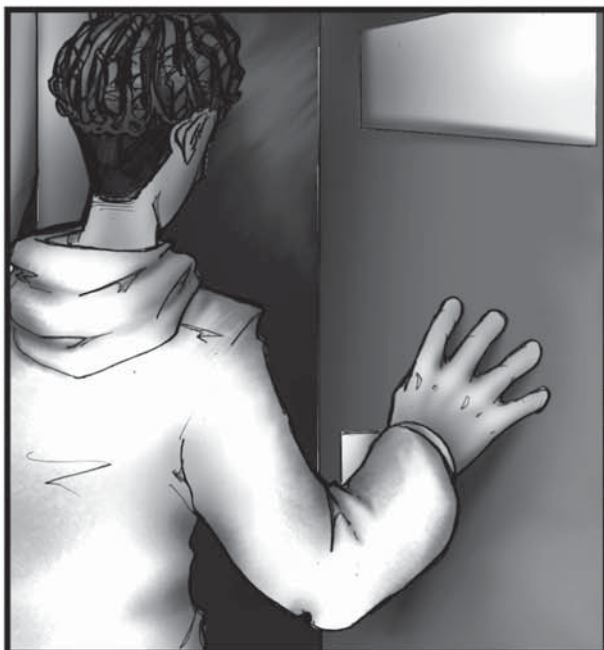

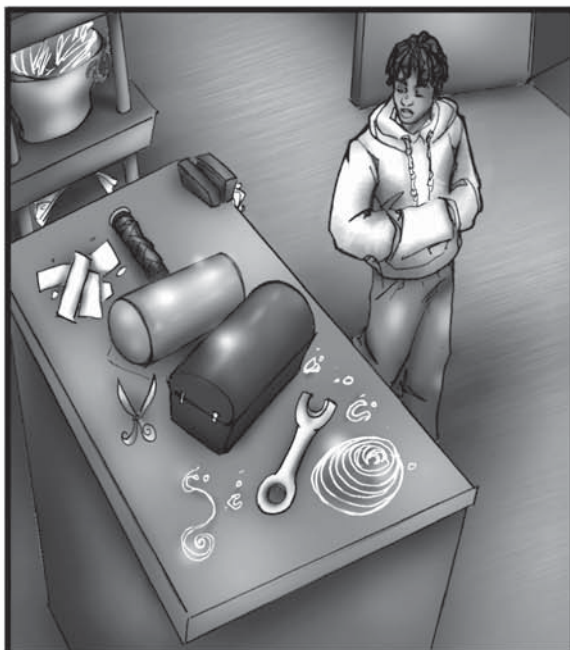

Fine.

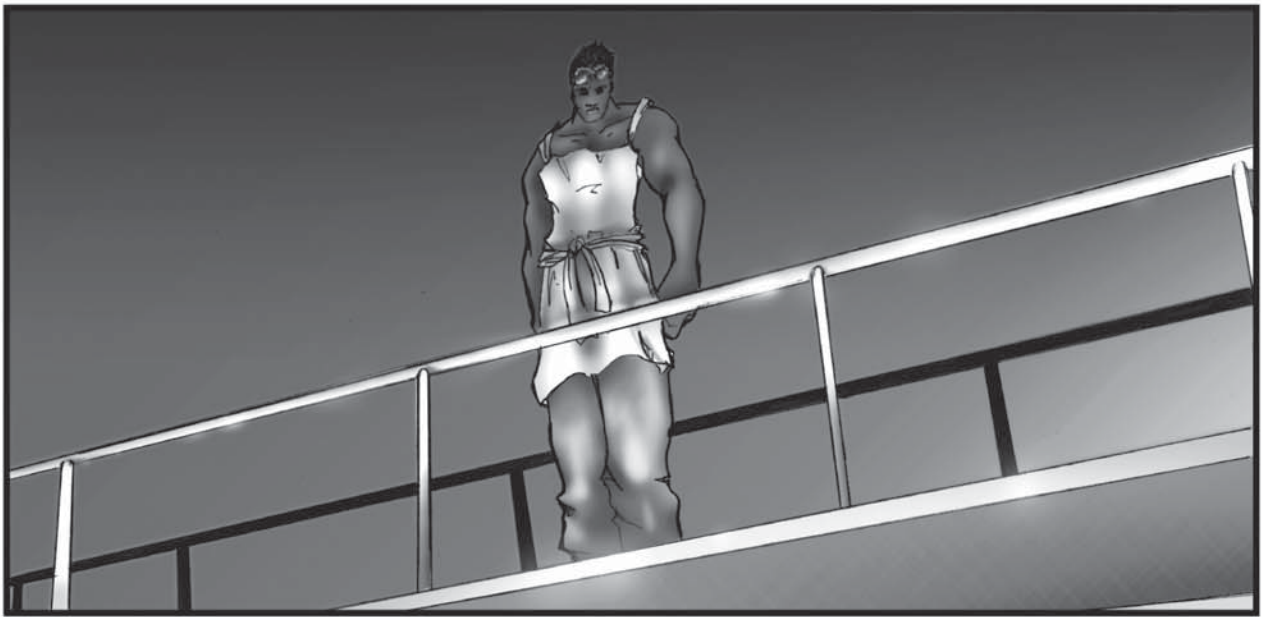

I need to know what
this is all about.

HOW TO DRAW ANDRE PART 2

1. Draw eyebrows and add a nose on the middle line.

2. Draw the ear on the same line as the eyes.

3. Start drawing Andre's hair by drawing the dreads in the front.

4. Finish with the dreads in the back. You're almost done!
